“COMMITTED TO THOSE WE SERVE”

Subject: Inclement weather

Date: February 1, 2005

Release Number: 05-012

According to Womack's Adverse Weather plan, Womack Army Medical Center, will comply with the installation during inclement weather. If the installation is closed, Clark Health Clinic, Joel Health and Dental Clinic, Robinson Health Clinic, Womack Family Practice Clinic and all Outpatient Pharmacies will also be closed. During inclement weather, the Emergency Department will be open. Patients with appointments will be re-scheduled by their clinic.

If the installation is on a delay, the primary care clinics will delay opening the same amount of time that the installation delays, i.e. 2 hour delay.

To better communicate with our patients, we have placed a standard recorded inclement weather message on the phone system. The message will remain active throughout the winter season. Patients may also log onto www.wamc.amedd.army.mil.
